Our Book of The Week: Mad about Minibeasts

The word of the week: you, all

Sounds of the week: ee igh

## Announcements & Reminders

### Chinese New Year

Chinese New Year is celebrated on 5th February this year. We will be learning the story of Chinese New Year and doing some Chinese New Year crafts in class. If you have any resources or pictures that would help support the children's learning we would love your child to share these with us!

### Junk Modelling

If you have any boxes or plastic containers ready for recycling, we can take these to add to our junk modelling collection. Please hand them in to your child's class teacher.

## Fortnightly Family Task

We have been focusing on money this week. You could help your child by letting them see and handle coins up to 20p. Can they recognise each coin and put them in order of value?

Challenge: What two coins make 3p, 6p, 11p?
