if you haven't already!

Year 2 Fashion Show

Wednesday 13th February 2:30pm-
3:00pm

English

We will be continuing our work on the book 'The Iron Man' by Ted Hughes. We will be writing statements to the police and doing some drama!

How to support your child: When reading books with your child, discuss and encourage them to question the meaning of unknown vocabulary. This is an important skill which aids comprehension.

Maths

We will continue our journey into the world of statistics! We will interpret and make our own pictograms and we will conduct our very own traffic surveys!

How to support your child: Make tally charts of your family's favourite fruit etc. and discuss the results e.g. which was the most popular? Which was the least popular? What is the difference between apples and bananas (not physically but in the number between them!)?

Key vocabulary: total, altogether, more, less, difference, tally, interpret, key
