Parent/Carer Acceptable Use Policy

I have read and discussed the Acceptable Use Policy with my child

- ✓ I know that my child will receive online safety (e-Safety) education to help them understand the importance of safe use of technology and the internet, both in and out of school.
- ✓ I am aware that any internet and computer use using school equipment may be monitored for safety and security reasons and to safeguard both my child and the school's systems. This monitoring will take place in accordance with data protection and human rights legislation.
- ✓ I understand that the school will take all reasonable precautions to ensure that pupils cannot access inappropriate materials, but I appreciate that this is a difficult task.
- ✓ I understand that if the school has any concerns about my child's safety online, either at school or at home, then I will be contacted.
- ✓ I understand that if my child does not abide by the school Acceptable Use Policy then sanctions will be applied in line with the school's Behaviour Policy. If the school believes that my child has committed a criminal offence, then the police will be contacted.
- ✓ I will visit www.thinkuknow.co.uk/parents, www.nspcc.org.uk/onlinesafety, www.internetmatters.org, www.saferinternet.org.uk and www.childnet.com for more information about keeping my child(ren) safe online.
- ✓ I will support the school and my child by role-modelling safe and positive online behaviour (such as sharing images, text and video responsibly) and by discussing online safety with them when they access technology at home.
