## Announcements & Reminders

### Zips on Coats

With the weather being very cold at the moment we are asking the children to make sure their zips are done up before they go outside for playtime. We have noticed there are lots of children who struggle to do their zips independently and wanted to ask for your support to encourage your child to zip up their coat on their own. We will be doing lots of practise in school too!

### Junk Modelling

If you have any spare recycling (cardboard boxes, yoghurt pots, etc) please could you kindly donate them to school. The children love making different things using them.

## Fortnightly Family Task

We have been focusing on money this week. You could help your child by letting them see and handle coins up to 20p. Can they recognise each coin and put them in order of value?

Challenge: What two coins make 3p, 6p, 11p?
