all tricky words.

Announcements & Reminders

Book Changing: Please note, we will no longer be chang-
ing books on any other day than your child's given book
change day. We are unable to change late books on differ-
ent days as it is becoming unmanageable. Please ensure
your child's book and reading record are in their book bags
on the correct day (Miss Tracanna's Butterflies on a Wednes-
day and Mrs Iqbal's Ladybirds on a Thursday).

Cooking: After half term our topic will be around being
healthy. If you would be interested in coming in to do some
cooking with our children please let class teachers know.

Guest Speakers: If you are interested in being a guest
speaker, we would love to welcome you. We often have peo-
ple from the medical profession coming in to talk to us.

We wish you and your children a really restful holiday and
we would like to thank you for the continued support you
have given us through this half term. We look forward to our
next topic all about what keeps us healthy!

Fortnightly Family Task

Holiday Task 1: Take a trip to the library with your child and allow them
to choose a book of their choice. Can they show you any of the features
of the story that we have learnt about (eg. the title, the blurb, a word, a
picture, the author)?

Holiday Task 2: Our next topic is all about healthy eating. Can you take
a photo of your favourite dinner and spot the healthy foods on your
dinner plate? Bring your photo in for our display.

If you have any questions please speak to your child's keyworker.
