Announcements & Reminders

Reception Fund

Thank you to those families who have contributed to our reception fund this half term. We have been able to make some jam sandwiches, make laminated butterflies and buy new investigation resources and craft resources. We are now running low on funds so any help would be greatly appreciated!

We wish you and your children a really restful holiday and we would like to thank you for the continued support you have given us through this half term. We look forward to our next topic all about science!

Fortnightly Task

Our new topic will be 'Mad Science'. Does anyone in your family use science in their job? Have you ever done any experiments at home? See if you can write down or draw everything you know about science.
