Fortnightly Topic Task

Our next fortnightly task of 2019 relates to our topic for next half term on the United Kingdom, maps and compass directions. We would like the children to be aware of their immediate environment in Chorlton. They could draw a map of the locality around school, or produce a Trip Advisor style report on a local amenity, or alternatively do something else about a place or club in the area. The format is up to the children but could include multimedia presentations if they wish. Please could the work be in by Friday 1st March.
