

Science Seasons

We will be looking at the different seasons and observing changes across the four seasons. We will be observing and describing weather associated with the seasons and how day length varies.

History

We will be looking at L.S. Lowry through lives of significant individuals in the past who have contributed to national and international achievements. We will be focusing on his personal life and his great art and the fact he has an art gallery and shopping centre named after him – amazing right?

Computing

. E-Safety and using the internet

We will learn how to be safe whilst using the internet to do simple searches on Google.

We will be using the 'Think you know' website and Hector's World. (Keeping passwords and personal information private – and looking at what to do if something makes you feel uncomfortable, understanding the reliability of what is on the internet.)

Religious Education

We have an RE day once a half term. We will be looking at the story of Easter.

Music

We will be experimenting with, creating, selecting and combining sounds using the inter-related dimensions of music.

Year 1: Spring 2 Lowry Who?

Maths

We will be looking at numbers between 1-50 and problem solving with more and less than and subtraction and addition.

We will also be counting in multiples of 2s, 5s and 10s.

English

We will be learning to write super sentences with capital letters, full stops and finger spaces. We will be reading our work back to make sure it makes sense.

We will be reading stories from other cultures, focusing on Handa's surprise and really focusing on the different cultural ways they have in Africa compared to us.

Art

We will be using drawing, to develop and share ideas, experiences and imagination – drawing in the style of Lowry.

We will be using a range of materials creatively to design and make products – Lowry miniature canvas.

Physical Education

Outdoor games

Games – We will be working on movement with a ball.

Enrichment and Trips

We will be visiting The Lowry in Salford to look at all of the fantastic work Lowry completed in his life time and participating in a workshop there, where they will teach the children how to create drawings like Lowry's.
