

WRITING

We will be writing a report on our local area, feeding into writing non-chronological reports.

We will also be studying the book, 'The Arrival', focusing on the feelings and emotions of immigrants to a new country.

Rights Respecting Article 28

As part of our topic, we will be considering our right to an education and comparing how school differs for children in different parts of the UK.

OUR HOOKS

Our science topic will be all about the different states of matter. We will be carrying out investigations into rainfall evaporation, melting and condensation.

Where are we?

MATHS

In topic maths we will use the eight points of a compass, four figure grid references, symbols and key (including the use of Ordnance Survey maps) to build our knowledge of the United Kingdom and the wider world.

GEOGRAPHY

This half term we will be learning to:

- name and locate counties and cities of the United Kingdom.
- understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom.
- use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

DT/ART

Mrs Appleby will be tailoring the art curriculum to our topic.
