Announcements & Reminders

Parents Evening

Parents Evening is a very beneficial opportunity for you to ask any questions and share any information about your child and their learning. If you have not yet selected a suitable time for parents evening on the letter sent out, please can you ensure this is done as soon as possible. Thank you to those who have already done this. Just a gentle reminder to say that each time slot is 10 minutes long per child. Many thanks for your cooperation and understanding.

Fortnightly Family Task

What are your favourite fruits and vegetables? Can you draw them and have a go at writing the corresponding word or the initial sound? Think carefully about what sounds are needed.

If you have any questions, please speak to your child's keyworker.
