Next!**

Word of the week: Recap Phase 3

Sounds of the week: Recap of Phase 3

Announcements & Reminders

Reading Books

Please ensure that reading books are in school on your child's book change day and the reading diary is signed, or they cannot be changed until the following week.

Reception Fund

Thank you for your donations to the Reception Fund. Please make any further donations via Parent Pay as we will no longer have the Reception Fund jars in class.

Fortnightly Task

We are loving completing different science experiments. We have been exploring freezing and melting. Could you see what different household items you could use to melt an ice cube?
