

The Hoot

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Our trip to Longford Park takes place next Thursday (4th April) in the morning. We will set off after registration and return by 12.40. If you have any queries please ask your class teacher. Parent helpers will be most welcome in the morning (thanks to all those who have already volunteered!)

Spelling Shed

Log-ins for our new spelling shed account have been given to the children. We recommend this resource—we feel it is fun and will help children's spelling immeasurably if it is used regularly.

Swimming continues as normal next week.

English & Maths

Next week we will be continuing work on our class book 'The Arrival' by writing persuasive letters.

In maths we will be working on dividing by 10 and 100.

This week's spellings:

echo	technological
echoes	brochure
scheme	chalet
stomach	chef
technology	machine

Spanish Phrase of the Week

Los flores de
primavera

Spring flowers

Los narciscos

daffodils

Please remember that all children are required to read daily and add to their reading records

Fortnightly Topic Task

Our new topic task relates to our Science topic for next half term, which includes a study of the human digestive system. We would like the children to make a model or draw a diagram of the human digestive system (the more realistic the better!) The children may consider making an advent calendar style poster where each part of the system can be revealed by opening a door. We leave it up to their creative imaginations!
