## English

We will be starting the week off by reading *Tinga Tales*. From this, we will be writing stories explaining how different animals have acquired their distinctive features.

**How to support your child:** If your child does any writing at home, remind them to check for the basics! Encourage them to check for spelling mistakes by reading their writing from the end rather than the beginning!

## Maths

We will be working on measurement this week. We will be reading scales, measuring objects using a ruler and units such as centimetres, metres, grams and kilograms.

**Key vocabulary:** scale, measure, centimetres, metres, grams, kilograms, length, height.
