

After-School Maths Club!

Dear Parent/Carer

Marvellous Maths is an after-school maths club for primary school children in Year 1 -Year 6.

We are excited to work in partnership with Oswald Primary School and offer children our fun and educational maths club after the Easter Holidays.

Our unique approach helps children learn through mathematical puzzles, games, riddles, code breaking and some of the best teacher tested activities to increase the engagement of children in maths and make learning fun.

Why we use games, activities and puzzles to support learning in maths?

- They are fun, enjoyable and motivating
- Children of **all abilities** can join in and feel confident.
- Helps children practice numeracy skills used in class
- Develops mathematical thinking skills
- Encourages problem solving and team work
- Improves lateral and logical thinking skills which cannot be taught
- Increases social interaction and development

Children will attend once a week on a Wednesday for 1-hour, places are given on a first come first serve basis. To book a place for your child please go to <https://marvellousmaths.co.uk/reserve-a-place-parents-only> or return the booking form on the other side of this letter to your school office **by no later than Friday 5th April 2019.**

Please Note

All payments and fees should be paid before the sessions start. We will email you with a booking confirmation and details of how to pay.

You can also visit our website for more information www.marvellousmaths.co.uk

Look forward in seeing your child join our club!
