Fortnightly Topic Task

Thank you for all the novel and imaginative ways in which the children modelled the digestive system! Our next homework, due in on 10th May, is related to our topic on the Ancient Egyptians. We would like the children to make an Egyptian artefact of some kind. This could be a model sarcophagus, a chariot, a canopic jar (no real organs please!), a death mask or a scroll—we leave it entirely up to their imaginations. We would like to have a museum in school on the week commencing 13th May, which all the classes will visit so we would also like each 'exhibit' to be tagged with a description of what it is, and what it was used for.
