

4th April 2019

Dear Parents/Carers,

Nursery Closure for Polling

We have been informed by the Electoral Services Unit at Manchester City Council that our Nursery may be required for use as a polling station on Thursday 23rd May 2019. This is all dependent on whether or not there is a European Parliamentary Election. We will find out next week if the election is due to go ahead.

We're letting you know of this possibility so that you can make arrangements for childcare in the event that we do need to close the Nursery on that day.

We will keep you updated once we have received confirmation.

As we have already informed you, the Nursery will definitely be closed for polling on Thursday 2nd May 2019 for local elections.

Kind regards,

Deborah Howard
Headteacher
