Announcements & Reminders

Turning vegetables into Superheroes!

We would like to make superhero vegetables next week with the children.

Please could you send your child in with any type of vegetable for them to use.

Thank you.

Tapestry

We really enjoyed seeing posts from home on tapestry. The children love showing their friends what they have been up to. Please continue to add new learning at home so we can celebrate this in school too. Thank you.

Fortnightly task

We have started to learn a new set of tricky words. Can you practise writing them at home?
