Dear Parents/Carers,

## The Big Oswald Road Eid Picnic

On **Friday 7th June** we would like to welcome you all the The Big Oswald Road Eid Picnic. This will take place in the school playground and will start at approximately 3:45pm. This event will be a lovely chance for the whole school to come together to share some food, enjoy the sunshine (hopefully!) and wish each other Eid Mubarak!

In preparation for the event, each year group will be preparing some picnic food in class with their teachers. Of course there can never be too much food at a picnic, so it would be hugely appreciated if you could also do some cooking at home with your children.

As well as bringing along some food, it would be great if you could also bring along a picnic blanket of some description so that everyone can be nice and comfortable while enjoying this event.

We look forward to seeing you all there.

Kind regards,

Ben Caldwell  
Year 4 Teacher
