

Year 2 Edition

Wb: 20/5/2019

## Announcements & Reminders

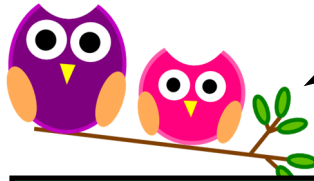

### Times Tables

Our summer term times table competition kicks off today. 2KK have a bye to the next round but 2SH and 2RF have fixtures against older year groups. Each question answered = one point. Fixtures end next Friday.

We are looking for parents to volunteer for a parents' team to play the school champions of the summer term—if you are interested please speak to/email Mr Farrow or the office.

Year 2 Team

# The Hoot

## English

We will be working on visual literacy using a video as a stimulus to write different genres of text.

## Maths

We will be continuing our revision on concepts taught this week.

## Topic

We will be continuing our work on Tiddler and working out basic compass directions and recapping the names of the five oceans and seven continents. Any work using Google Maps to locate the different continents and oceans would be extremely useful!
