Announcements & Reminders

Sun Cream: If you would like your child to reapply sun cream during the day, please pass a bottle of sun cream, labelled with your child's name, to their class teacher. Staff will be on hand to help, but children should be able to apply most of it themselves.

Water Bottles: Children are encouraged to drink lots of water during the day. If you wish for them to have their own water bottle, please label one with their name and leave it in the classroom.

Spellings: Your child has been given his/her first weekly spelling sheet. Spelling homework is optional in Reception, but we find that children are often very keen to complete it and pop it in the spelling box. We look forward to finding out how they get on with this exciting new task.

Safeguarding: Please can we remind all parents that the sharing of food and sun cream in school is strictly forbidden for safeguarding reasons.

Fortnightly Family Task

How many different traditional tales can you find and read? We'd love to see pictures of you sharing books in different places, acting out your favourite parts, or even writing and illustrating your own versions of well-known stories.

Share these with us on Tapestry!
