

Year 2 Edition

Wb: 3/6/2019

Announcements & Reminders

The great Oswald Road Eid Picnic takes place on 7th June at 3.45. Please come along to share this exciting event with us—further details available on the letter on the website.

A reminder that sharing of food and sun cream in school is strictly prohibited for safeguarding reasons.

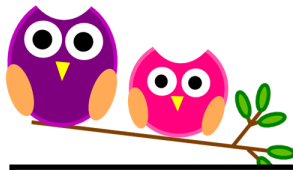

For information:

Mr Farrow will be off the first week back on paternity leave.

Have a great break—thank you for your continued support.

Year 2 team

The Hoot

English

We will be writing instructions and a diary themed around making a boat.

Maths

We will be practising our problem solving as we move towards transition to Year 3.

Topic

Our topic learning this half term will be on the Great Fire of London - we will be learning about how it has changed the city, how it spread, and what lasting impact it had. If you are visiting the capital, could you point out the Monument to the great fire (easily visible from most bridges over the Thames in central London) or maybe have a look at it first hand—there is a tube station right next to it. If you aren't, any research the children can do (there are loads of good sites on this for kids) would be great.
