Sounds of the week: igh, oa, oo, oo

## Announcements

### Junk modelling

If you have any spare recycling we could use in school for junk modelling please could you give them to your child's class teacher.

### New playground resources

We have recently purchased some new resources for our outdoor area. The children have been using these resources really well. Please could you reinforce to your children that they must look after the equipment so it stays lovely for them to play with. Also, if anyone is available to help us brighten up our planters and come and do some gardening please let your class teachers know. If you would like to donate any plants as well we would be very grateful!

Thank you.

## Fortnightly Task

Can you write some sentences using your Phase 3 sounds?
