

Consent for Use of Emergency Inhaler

Under the guidance from the Department of Health, we have been issued two generic inhalers. They are Salbutamol inhalers and will only be used in the event that your child's inhaler is not in school or has expired.

In order for us to use one of these emergency inhalers on your child we require written consent. Please complete the reply slip below and return it to the school office as soon as possible.

Kind regards,

Sharryn Hodskinson
Health Lead

Consent for Use of Emergency Inhaler

Child's Name: _____ Class: _____

In the event of my child displaying symptoms of asthma, and if their inhaler is not available or is usable, I consent for my child to receive Salbutamol from an emergency inhaler held by the school for such emergencies.

Signed (Parent/Carer): _____ Date: _____
