## Announcements & Reminders

**Reading Records:** Please continue to listen to your child read each day at home and let us know by signing their reading record. We love to hear how they're getting on.

## Fortnightly Family Task

The challenge for this fortnight is to create a 3D model linked to a traditional tale. Perhaps you'd like to make Jack's beanstalk or build the giant's castle... We can't wait to see your creations—bring them into school or show us on Tapestry!
