

27th June 2019

Dear Parents/Carers,

Year 1 Longford Park Visit

This half term we have been studying *Plants* in science and therefore to discover the topic further all three Year 1 classes will be visiting Longford Park on the afternoon of **Monday 15th July**. During this visit, the children will be looking at different plants and flowers and investigating the differences between them.

Given the unpredictability of the weather, please can you ensure you dress your child in appropriate clothing and wellies/suitable shoes. Please also ensure you apply sun protection beforehand if required.

School jumpers are to be worn for the visit. If a child arrives without their school jumper they will either be given a high-vis jacket or a jumper from the spares box to wear so that they can be easily identified.

In order for the visit to go ahead each class will require a number of parent helpers. Please speak to your child's teacher or email messages@oswaldroad.manchester.sch.uk if you are able to help out on the afternoon. We will be walking there and back, leaving school after lunch (1:00pm) and returning back before home time. Normal lunchtime arrangements will not be affected.

As this is a local visit we will not need permission slips in order for your child to attend.

Kind regards,

Hayley Craven, Jen Dyson and Sarah Millward
