

1st July 2019

Dear Parents/Carers,

Oswald Road Yearbook

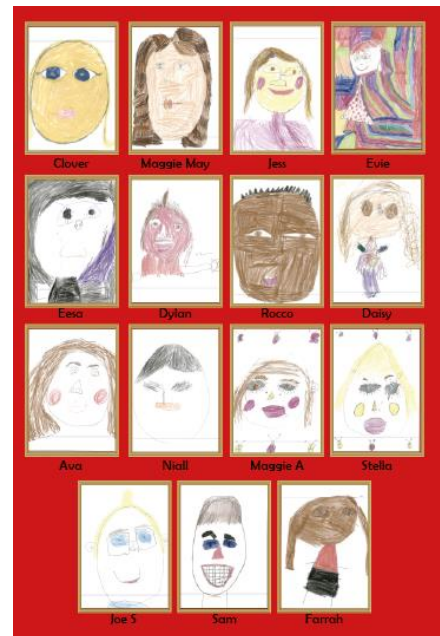

As many of you may have been told by your children, we have asked every child in school to draw a self-portrait to go in our 'Class of 2019' yearbook. We are pleased to announce that we are now taking orders for the yearbooks, which will be charged at **£10 each**. Any profits made from the sale of the yearbooks will be put back into the school fund.

The yearbook features a double-page spread for each class in school (from Nursery up to Year 6) displaying each child's self-portrait (see preview on right), as well as photo highlights from across the school this academic year. There will also be a section at the back for the children to write down their favourite memories of the year and space for their friends to write them messages. The yearbooks are being professionally printed and will be delivered to school in the last week of term ready for you to collect from the office.

If you would like to order a yearbook, please do so via Parent Pay **no later than Friday 12th July**. Please note that we cannot take any orders after this date as we need to get final numbers to the printing company ready for delivery the following week.

Kind regards,

Ellie Linton
Communications & Marketing Manager
