

12th July 2019

Dear Parents/Carers,

Breakfast with Mrs Craven / Miss Millward / Miss Dyson

As next Friday will be the last day before the summer holidays, on that last morning we will be organising to have breakfast with the children so we can really enjoy our last morning together. We will provide some cereals, toast, and other breakfast favourites – you don't need to do anything and you don't need to give your children breakfast that morning (unless you have a very hungry child who wants double helpings!)

If you feel you need to discuss any dietary requirements with your child's teacher, please just pop and see them before or after school. Alternatively, please email any dietary requirement messages to admin@oswaldroad.manchester.sch.uk and mark it for the attention of your child's teacher.

On Friday the children can also bring a toy in. Please can request that it is nothing electrical, expensive or of great sentimental value, as accidents can happen. Perhaps something that they are willing to share with their friends would be nice.

Finally can we take this opportunity to thank you for your support this year and wish everyone a restful and enjoyable summer.

Kind regards,

Hayley Craven, Jen Dyson & Sarah Millward
