How long have you been a teacher for?

I've been a teacher for about 4 years. Before I was a teacher I used to work for Manchester University, including in Manchester Museum!

How long have you been working at Oswald Road?

For one fantastic year.

What is the best thing about being a teacher?

The best thing about being a teacher is getting to know different children from diverse communities and backgrounds, and bringing them together to learn. I also love getting to teach lots of different subjects!

What are your interests/hobbies?

I have lots of hobbies. I write stories and I play music. The piano is my instrument. I like to discuss science and history with my friends and I love playing board games! I've even designed a few myself.

Give us an interesting fact about yourself!

I used to live in a castle! It was in a room at the top of the keep and there were 126 steps to walk up every day.
