

4th September 2019

Dear Parents/Carers,

Swimming Parent Helpers Required

As some of you may already know, our Year 4 classes attend swimming lessons at Hough End Leisure Centre every Friday morning. We are looking for three parent helpers to commit to coming along to support our staff each Friday morning, starting on Friday 13th September. Please note that parent helpers would not be required to get into the pool with the children.

The volunteers would need to commit to coming along **every** week for an hour and a half with their child's class (or work on a rota basis with a small group of parents in the class). If you are interested, please indicate on the reply slip below, or email messages@oswaldroad.manchester.sch.uk.

Kind regards,

Jen Beech
Year 3/4 Phase Leader
