

25th September 2019

Dear Parents/Carers,

Year 4 Science Club

From Monday 7th October we will be running an after school science club for Year 4. The club will run for five weeks in total (three weeks before and two weeks after the half term break). The sessions will last for one hour each, finishing at 4.30pm, and will cover the following topics;

<u>Week</u>	<u>Topic</u>
1	<u>What is Science?</u> (A series of basic experiments and what we can learn from them)
2	<u>Geology</u> (The structure of rocks and how they are formed)
3	<u>Botany</u> (The structure of plants and how they work)
4	<u>Zoology</u> (The Animal Kingdom in all its infinite variety, with a visit from an animal!)
5	<u>Evolution</u> (How it works and why!)

These sessions are designed to stimulate interest in the world of science. Places are limited to 30, so please note that applications will be accepted on a first-come, first-served basis. If you would like your child to attend, please complete the slip below and return it to school by **Monday 30th September**. Letters of confirmation will be sent out during the following week.

Kind regards,
Andy Wheeldon
Year 4 Teacher

Year 4 Science Club

Child's Name: _____ Class: _____
