Announcements & Reminders

Thank you from all Reception teachers

A really big thank you to all parents and carers for helping us with transitioning the children through their first week of Reception class. It is always a little bit daunting particularly for children who have joined us from other settings but the children have seemed to settle into their new classes really well and we have loved getting to know all pupils and parents.

WANTED—Junk Modelling Materials!

The children have really been enjoying the creative area. We would like to give them the opportunity to build some wonderful models, so we require lots of junk modelling boxes to do so. Please hold onto anything you may come across in your home which may be suitable.

Fortnightly Family Task

The challenge for this fortnight is to look through all your family photos with a grown-up and choose the one you like the best and would like to bring into school to have displayed in your new classroom. These photos can be returned at the end of the academic year should you wish.
