Maths

This week we will be continuing our place value work by looking at counting in 2s, 5s and 10s. We will practise counting from different multiples of 2 and 5, and will not start from 0 each time (e.g. **2s: 6, 8, 10, 12...** or **5s: 20, 25, 30, 35...**). When counting in 10s, we will practise starting from any number e.g. **2, 12, 22, 32, 42**. We will look for patterns as we count.

We will also be introducing counting in 3s, forwards and backwards, from any given multiple of 3.

English

In English we will be finishing off our work on the book Halibut Jackson. We will be writing predictions, reviews and adverts.

To help your child, please read with them as often as possible.

Spellings

This week's spellings are the homophones: **see, there, their, here, hear, sea, too, two, blue, blew**. Please use Spelling Shed to practise!
