counting to 10, recognising numerals
to 10.

Announcements & Reminders

Labelling belongings:

Please can you ensure all your children's belongings are labelled clearly as this is very important.

Spare clothes and wellies:

When the children are in Nursery, they will end up getting messy as they explore the environment! Little accidents can also occur. It is therefore very important to ensure your children have enough sets of spare clothes in school.

Due to the wet weather we also ask that you bring in a pair of wellies for your child to go outside in.

Drop-off and finish times:

Our Nursery doors will open at 8:45am for a prompt 9:00am start. We finish the Nursery day at 3:15pm, please can you therefore pick up your child/children on time. Thank you.

Fortnightly Family Task

As part of our 'What makes me special?' topic, we would like to collect photographs of the children with their families. Please could you send in a photograph of your child/children with their family? This will be displayed on our family board for the children to access and look at throughout the day.

If you have any questions please speak to your child's keyworker.
