PRIMARY SCHOOL

Upcoming Events & Trips

Reception Stay & Play -

Phonics Focus

Tuesday 8th October
9.00 am — 10.15 am

Reception Phonics Workshop

Friday 18th October
9.30 am - 10.15 am

Tapestry Online Journal

We will be going live with this next week. You will be receiving an activation code to the email you provided us with, which you will need to access to view your child's journal. Please look out for this email next week. For those children who have come from our Nursery, log-ins will be exactly the same as they were in Nursery and you will be able to view old and new observations.

Our Book of The Week: Places We Go

Sounds of The Week: i, n, m, d

Announcements & Reminders

Wellington Boots

The children are really enjoying outdoor water play. To help us avoid too many sock changes and soggy feet, please provide a pair of wellies to be kept in school.

WANTED—Junk Modelling Materials!

The children have really been enjoying the creative area. We would like to give them the opportunity to build some wonderful models, so we require lots of junk modelling boxes to do so. Please hold onto anything you may come across in your home which may be suitable.

Book Changing Days

Reading is one of the most important skills that we teach in Reception, so please ensure you are familiar with which day your child's book will be changed. It is essential that children have their reading records and books in school on their designated day, as they will also read with an adult.

Fortnightly Family Task

The challenge for this fortnight is to look through all of your family photos with a grown-up and choose the one you like the best and would like to bring into school to have displayed in your new classroom. These photos can be returned at the end of the academic year if you wish.
