

# The Hoot

Year 2 Edition  
Wb: 23/9/2019

## Announcements & Reminders

### Visit to Chorlton Library -

Wednesday 25th September - am.  
*We have enough helpers now, thank you!*

### PE Kits -

These should all be in school now please (labelled!)

### Spelling Shed / TT Rockstars -

The children all have their log-in details for these now. We will be practising accessing the websites in ICT so the children should know what they are doing at home!

## Maths

This week we will be looking at addition, subtraction and related facts. If we know that  $2 + 5 = 7$ , can we use this to work out what  $20 + 50$  is?

What is the same and what is different about the numbers and the calculations?

## English

In English this week we will be moving on to our next book, "Claude in the City." We will be exploring Claude as a character and immersing ourselves in the sights and sounds of large cities. To help your child, you could read one of the other 'Claude' books by Alex T Smith. There are copies of most of them in Chorlton library, but please don't read our book!

## Spellings

This week's spellings are: **blue, true, Tuesday, few, drew, clue, rescue, new, grew, threw.** Please use Spelling Shed to practise!
