

The Hoot

Year 1 Edition

Wb: 30.9.19

Announcements and Reminders

Children need coats in school every day as we have had a lot of rain but we like the children to get out as much as possible.

Please make sure your child has their book bag and reading books with them every day as we read as much as we can, not just on the children's book changing day.

Upcoming Events

Year 1 walk around Chorlton as part of our topic—8th October in the morning.

If you can help out by accompanying the classes on our walk please speak to your child's class teacher.

Maths: This week we will continue to look at place value within 10. We will continue comparing amounts and using language like greater than, fewer than and equal to. We will be ordering numbers and objects. We will also look at ordinal numbers.

Useful vocabulary: count, more, less, same, different., bigger than, smaller than, equal to, fewer than, greater than. first, second, third etc

How you can support at home:

Really explore the different ways of saying more than/greater than, fewer than/less than as we have found this tricky this week.

English: This week we will be using The Gruffalo as inspiration to create our own imaginary characters and we will be doing some writing around this.

How you can support at home:

Make some characters with your children or look for interesting characters in stories that you read. Describe the characters using adjectives. Eg. purple prickles, sharp claws.

Phonics:

We will be now looking at Phase 4. No new sounds are taught but we learn about reading and spelling words with common consonant clusters. E.g st in nest, nd in hand, nk in bank

How you can support at home:

Recapping sounds that have already been learnt will help the children as it is helping them to remember to embed and use these in their work.
