The Hoot

Announcements & Reminders

Visit to Chorlton Library -

We had a great time with Nick Sharratt on Wednesday morning. Thank you to the parents who helped out! Take a look at his website to find out more about him and his work... <http://www.nicksharratt.com/>

Spelling Shed / TT Rockstars -

The children all have their log in details for these now. We will be practising accessing the websites in ICT so the children should know what they are doing at home!

Trips to Chorlton Ees -

2SH - Wednesday 16th October
2RF - Thursday 17th October
2KK - Friday 18th October

Maths

This week we will be finding 10 more and 10 less than different numbers up to 100. What do you notice about the tens digits when you add or take away 10? What do you notice about the ones digit? Have a look at a hundred square and see if you can spot a pattern when counting forwards or backwards in 10s. We will also be moving on to adding a single digit number and a 2 digit number together, using tens numbers to help us.

English

In English we will follow Claude through the city on his adventures, focusing on the settings and places he will visit. We will be doing descriptive writing about sights and sounds of cities. We will also be taking a virtual field trip through New York City, looking at everything closely.

Spellings

This week's spellings are: saw, yawn, author, dinosaur, astronaut, draw, crawl, August, lawn, drawn. Please use Spelling Shed to practise!
