Announcements & Event Reminders

On Tuesday 8th October we will be holding our Year 4 'Egyptian Day' in school. There will be various activities for the children to enjoy, and we will be setting up our own museum. If children wish to come in Egyptian fancy dress they are welcome to do so, although this is not by any means compulsory!

Swimming

This continues as normal until further notice. We would like to thank the swimming volunteers for giving up their time on a Friday morning to accompany us. It is very much appreciated!

English & Maths

Next week in English we will be looking at a children's version of Antony and Cleopatra.

In maths we will be working on comparing and ordering numbers.

Fortnightly Topic Task

Our second topic task of the year relates to our current studies in Science on sound. We would like the children to design a musical instrument of their own. There is no necessity to make the instrument—a labelled diagram in homework books would be sufficient. How is the sound generated? How is it transmitted outwards? The deadline for this work is Friday 4th October.
