ter to follow in due course.

Our Book of The Week: Elmer

Maths Focus: 2D shapes, naming and describing
them.

Literacy Focus: Concepts of print (front cover,
back cover, spine, pages, illustrations, writing,

Announcements & Reminders

Toys from Home:

We have noticed that a lot of children are bringing in toys from home. We would like to kindly remind parents that toys are not allowed to be brought in from home, due to them getting lost and causing a distraction to the children. Toys are best to be left at home.

Start of the Day Activity:

We will be introducing a Start of the Day Activity for the children as they enter Nursery in the morning. We have decided to focus on name recognition as our Start of the Day Activity at the moment. Every morning the children's name cards will be put out for them to find. It would be very beneficial if parents/carers could encourage their child/children to take part in this activity, if this is possible.

Fortnightly Family Task

As the clocks and seasons change, can you go for an autumn walk and collect some natural resources? What colours can you see? Are there any autumn animals along the way? Have a go at making a collage or an autumn picture using your collected items!

If you have any questions please speak to your child's keyworker.
