Reception Phonics Work- shop

Friday 18th October
9.30 am - 10.15 am

Our Book of The Week: Titch

Announcements & Reminders

Tapestry

We are really enjoying seeing what the children have been getting up to at home. Please keep sharing the children's achievements with us as we love to share them with the class.

Start of the Day Activity (SODA)

Each day there will be a SODA set out in your child's classroom. This task is for children to access when they first arrive before we sit down for the register. The other activities laid out are for during provision and the children are taught to leave these until after the morning session. Please encourage your children to have a go at the SODA and show you what they have been learning about that week.

Umbrellas

We are looking for umbrellas to decorate our outdoor area. If you have any spare umbrellas you are able to donate, please leave them with your class teacher. Thank you!

Fortnightly Family Task

The challenge for this fortnight is to go on a shape hunt around your house. What 2D shapes can you find in your environment?
