

Year 2 Edition

Wb: 7/10/2019

Announcements & Reminders

Trips to Chorlton Ees -

2SH - Wednesday 16th October

2RF - Thursday 17th October

2KK - Friday 18th October

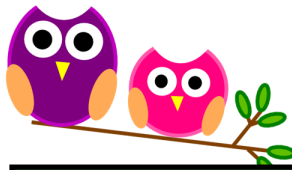

Science Super Learning Week -

This will be happening in the week beginning Monday 14th October.

We have lots of fun activities planned for the children to do across the week. If you have a science-based job and would like to come in to chat to the children about it, we would love to hear from you :)

We would like to say a huge thank you for all your hard work reading at home with the children—it really makes a difference!

The Hoot

Maths

We will begin this week by subtracting single digit numbers from 2 digit numbers. We will practise using different methods including the numberline and column method. Children need to be able to partition 2 digit numbers in order to subtract from them e.g. $25 = 20$ and 5 (or 2 tens and 5 ones).

English

In English we will be writing our own stories based on Claude in the City. We can't wait to read what the children come up with!

Spellings

This week's spellings are the following common exception words: **door, floor, poor, because, find, kind, mind, behind, child, children**. Please use Spelling Shed to practise!
