Maths Focus: Recognising numerals 1-10, number games and activities.

Literacy Focus: Concepts of print (front cover, back cover, spine, pages, illustrations, writing, blurb)

Announcements & Reminders

Toys from Home:

We have noticed that some of the children are bringing in toys from home. We would like to kindly remind parents that toys are not allowed to be brought in from home, due to them getting lost and causing a distraction to the children. Toys are best to be left at home.

Start of the Day Activity:

We have introduced a Start of the Day activity for the children as they enter Nursery in the morning. We have decided to focus on name recognition as our Start of the Day activity at the moment. Every morning the children's name cards will be placed out for the children to find. It would be very beneficial if parents/carers could encourage their child/children to take part in this activity, if this is possible.

Fortnightly Family Task

With lots of autumnal vegetables in season, we'd like you to take a trip to your local supermarket or grocery store and look at the vegetable aisle. What do you notice about the pumpkins and squashes? What different colours can you see? Have a go at using mathematical language to describe them e.g. big, small, huge, tiny, round, sphere...

If you have any questions please speak to your child's keyworker.
