The Hoot

Announcements & Reminders

Trips to Chorlton Ees -

2SH - Wednesday 16th October

2RF - Thursday 17th October

2KK - Friday 18th October

Science Super Learning

Week - This will be happening this week! We have lots of fun activities planned for the children to do across the week. The children can come dressed as someone who uses science in their jobs on Monday if they like!

If you have a science based job and would like to come in to chat to the children about it, we would love to hear from you :)

Maths

We will be continuing our addition and subtraction journeys this week! We will be learning how to exchange 10 ones for a ten to help us - e.g.

Find the sum of 35 and 26

- Partition both the numbers.
- Add together the ones. Have we got 10 ones?
- Exchange 10 ones for 1 ten.
- How many ones do we have?
- Add together the tens. How many do we have altogether?

English

This week we will continue to read about Claude's adventures. The children are really enjoying this story!

Spellings

This week's spellings are the following common exception words: **wild, climb, most, only, both, old, gold, hold, told**. Please use Spelling Shed to practise!

** Please note, these spellings can now be found on Spelling shed—apologies that they haven't been there previously!!**
