## Announcements & Reminders

**Stay and Play & Workshops....** We would just like to say a big thank you to everybody who attended our Phonics Stay & Play and workshop. The children absolutely loved having you in school for part of the morning and it was a great opportunity to show off our super learning!

**Spare Clothes....** We are beginning to run thin on the ground with our spare clothes in school. We would welcome any donations of old trousers/leggings/underwear/socks that you may no longer need.

## Fortnightly Family Task

The challenge for this fortnight is to take a photo of something that you are really proud of or somewhere where you have been over the weekend and add this to your Tapestry account.

It can be as simple as baking a cake or riding a bike without stabilisers, or even visiting the library. We love hearing about what you do outside of school.

We would then like to share this as one of our talk time sessions in school, where your child will have the chance to tell us what was happening in the picture.
