English

This week we are focussing on sentence structure and punctuation. To help your child, ask them to write simple sentences and see if they can expand them with adjectives and more detail.

Spellings

This week's spellings are the following common exception words: **every, great, break, steak, pretty, beautiful, after, fast, last, past**. Please use Spelling Shed to practise! **Please note, these spellings can now be found on Spelling Shed—apologies that they haven't been there previously!**
