

The Hoot

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Next week is the final week of the half term and we will be completing our work on our Ancient Egyptian topic. Next half-term's topic is all about the changes in British society which occurred in the 1960's—should be rather groovy! In science, we will be covering electricity.

We would like to thank those parents who gave up their time this week to share details of how they use science in their work—the children loved it!

Swimming

This continues as normal until further notice.

English & Maths

Next week in English we will be continuing our work on non-chronological reports by writing a finished report.

In maths we will be working on addition and subtraction.

Spellings for this week :

although	build
centre	different
enough	favourite
height	important
length	minute

Spanish Phrase of the Week

nueve	nine
diez	ten
once	eleven
doce	twelve

Please remember that all children are required to read daily and add to their reading records

Fortnightly Topic Task

Our next topic homework relates to our forthcoming Global Day which takes place in November. We are simply looking for ideas as to what concerns the children the most in the modern world, or what they think is going really well. If the children could find some interesting facts about the subject that concerns them, and bring these in, that would be perfect. The only condition is that it must be about something that affects CHILDREN globally. The deadline for this is now Friday of the FIRST WEEK BACK.
