Phonics Focus: Two sounds- 's' and 'a'

Literacy Focus: Retelling the story and sequencing / describing characters

Announcements & Reminders

Family Photographs:

Please can you ensure you bring in a family photograph for our family wall. Thank you to those who have already done so.

Spare Shoes and Wellies:

With the weather being very wet, please can you ensure your child has a set of wellies in school just in case they need to change into them. Also, if anyone has any old, unwanted shoes going spare which they would like to donate to Nursery, we will welcome them as they are always useful.

Punctuality:

We are struggling to commence our learning times at 9:00am due to children being dropped off after the tambourine shakes. Please ensure that your child is dropped off on time to allow for any extra support they may need with separating in the morning.

Early Language & Communications Skills:

Please take the time to read this article on helping your child develop early language and communication skills. This is a big focus for us in Early Years at the moment. [Click here.](#)

Fortnightly Family Task

In Autumn 2 we will be introducing Phonics Phase 2 and children will start learning new sounds each week. Try going on a treasure hunt with your child/children and find things starting with the **s** or **a** sound, as these will be the first sounds we learn. This could be in your home, garden, walking to the shops or even in the park.

If you have any questions please speak to your child's class teacher.
