Thank you for all your support this (long!) half term. The children have really settled well into year 2 and we are looking forward to the next half term :)

Maths

Our new topic is on money. We will be counting money in pence, counting money in pounds (coins and notes) and we will be combining pounds and pence to make new totals. Please allow your children to become familiar with the value of all coins and notes as this will really help them in this unit.

English

We will be delving into 'The Dark' by Lemony Snickett. We are looking forward to finding out about how Laszlo stopped being afraid of the dark.

Spellings

No spelling homework for half term - the children need a well deserved rest! They can still play on Spelling Shed if they wish though!
