

### WRITING

We will be writing instructions, diary entries, newspaper reports, information pages and many more previously learnt skills and linking these to the fabulous decade of the 60s!

### PSHE & RE

We will be exploring Christianity by looking at the life of Jesus, discussing why people find him inspiring, and what we can do to inspire others in our own lives. Our theme this term is 'Celebrating Difference' - we will be looking at why differences are special and other topics such as bullying.

### SCIENCE

Our Science topic this half term is Electricity. Have you ever wanted to know how to wire a lighting circuit? How does a doorbell work? How about wiring an alarm system, or a light switch? Using electrical components, we'll wire them all!

## Were the Sixties really swinging?

### DT/ART

The 60's were a time of new fashions - flared jeans became hip, the mini skirt was queen - hair became long! The list goes on! We will be looking at the different patterns and colours that were popular on clothing and designing and making our own 60s style t-shirts.

### Rights Respecting Links: Article 29

You have the right to become the best that you can be.

### MATHS

We will begin the term by securing our knowledge of addition and subtraction. We will then move on to area and perimeter, before taking a detailed look at methods of multiplication and division. . We will also be solving some 60s word problems.

### HISTORY

We are stepping back in time to one of the most fascinating decades of the last century. We will be looking at the changes which occurred in Britain and the world and in particular at youth culture, music and the changing role of women in society (with much else besides!)

### GEOGRAPHY

We will be identifying and locating where the Berlin Wall stood and why it was there. We will think about its impact on the country and the world. We will also explore the way the map of Europe has changed since the 1960's and the reasons for this.

### PE

This half term we will be continuing our swimming lessons. We will also be having a go at various groovy dance moves from the cool and hip 1960's. So get ready to twist and shout!
