Dear Parents/Carers,

## Oswald Road Sketchbook Project

We are hoping to build a collection of sketchbooks here at school. The books will be used to inspire the children. We're hoping to show that art is a skill for life and that it has relevance outside the classroom. We want the children to know that art can be enjoyed at any age and that it can be a career as well as a hobby.

If you are feeling creative and would like to take part, please get in touch. We will provide you with a small (A6) sketchbook to fill and return to us. You don't need to be a professional artist, anyone can take part. We are looking for a variety of styles- you could fill a book with mehndi designs, watercolour landscapes, manga characters, architectural drawings, embroideries, prints or photographs.

Please fill in the form below and we'll send you a sketchbook and some guidelines about what to do next.

I look forward to seeing your ideas!

Art Lead
